Hello Chartwell Community,

October has rolled around, and with that we are definitely enjoying warmer days.

Please can we encourage everyone to protect themselves from the sun and remain hydrated.

Although it is hot from a safety perspective, sleeved shirts are compulsory to ride in - no tank tops or spaghetti straps please.

With the hotter days comes the increased chance of our famous Highveld rainstorms occasionally interrupting our lesson schedule.

Lessons will continue as usual if the rain is light and there is no lightning, please pack a raincoat or light wind breaker.

Lightning within a 10km radius will result in the ride being stopped.

Make-ups are not offered due to rain as theory lessons will be held if the weather is not suitable for riding.

These will include teaching your children how to tack up their ponies, general knowledge regarding horse care and grooming, and getting your pony show ready etc...

Yolani Boersma

Hi, my name is Yolani, I am 29 years old. I have 3 passions in life; People, Wildlife and Horses. Early in life I decided to follow my one passion which is people and I studied to be a Paramedic, I am a qualified Intermediate Life Support Paramedic; and worked for Netcare 911 and ER24. I then followed my second passion which is wildlife; I worked for a counter poaching unit in Mozambique with my husband. Last but not least I decided to follow my 3rd passion in 2019 which is horses; I successfully qualified Instructor level 1 as a therapeutic riding therapist and motor skills therapist. What better way to combine all 3 my passions in life than Equitherapy. Seeing the smile or hearing the giggle of a kid makes my day and being able to put that smile or giggle there gives me a purpose. I am energetic, hardworking, trustworthy, organized, neat, well disciplined and motivated. I am always determined to gain experience and improve my skills to succeed. In the near future I will further my studies in the equine industry.

My favorite Quote: "There is something about the outside of a horse that is good for the inside of a man"

Our very own Whitney Deverneuil will be competing! We wish her the very best of luck!

Did you know the main layout for Derby has been about the same since 1965.

Current course designers have the option to change heights, spreads and some of the distances.

Our annual **Halloween outride and fundraiser** is also fast approaching.

This is always a big hit and lots of fun.

Details to follow as soon as they have been finalized.

Spaces fill up fast.

Lastly , Thank you to all who make Chartwell , Chartwell. We appreciate your on-going support! Regards The Chartwell Team
